Campus Crime Statistics

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act requires college and universities that participate in Title IV student financial aid programs to disclose campus crime statistics and security information. Crime definitions can be found in the FBI Uniform Crimes Reporting Handbook 2004 at the following URL: http://www.fbi.gov/about-us/cjis/ucr/additional-ucr-publications/ucr_handbook.pdf

The Clery Act mandates that crime statistics be made available for 3 years. KBOCC began participating in Title IV student financial aid programs in Fall 2010, and is in the process of obtaining and disseminating crime statistics report for the prior years. Crime statistics for the calendar years of 2008 - 2010 and which organizations reported for the compilation are provided in the logs below. Because KBOCC does not have its own campus security, the college works with local police organizations to handle campus crime. ~ As of July 1, 2011, KBOCC is still awaiting some final statistics – the website will be updated once this is complete.
